Cassop Primary School

The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection;
- Adhere to the social distancing rules as set out by the government as much as we reasonably can;
- Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs;
- Contact parents/carers if your child displays symptoms of COVID-19;
- Inform you if staff or children in your child's 'bubble' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative;
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlined in this agreement;
- Communicate between home and school through notices, newsletters, text, email and the school website.

Parent/Carer.....

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone;
- If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately; they will need to self-isolate for 14 days or until tested negative;
- Should a child or adult show symptoms and test positive for COVID-19 then the whole group (bubble) that the child was in will be sent home and they must self-isolate for 14 days.
- On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules.
- When dropping off and picking up, I will strictly stick to the school timings for my child;
- My child must not bring any items into school with them or take items home from school;
- My child may have their temperature taken on arrival and during the day if they feel or present as being unwell
- I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully
- My child will need to use good respiratory and hand hygiene;
- I will not be allowed into the school without a pre-arranged appointment – make appointments via telephone or email;
- I need to support all staff in their efforts to create an 'as safe as possible' environment during this time;
- Read all letters/messages/emails that are sent home;
- I need to inform the school immediately of any changes to parents/carers and emergency contacts details.
- My child should wear school uniform - this should be washed before returning to school or clean uniform worn each time attending school
