

Week Commencing Monday 22nd June

Visit <https://whiterosemaths.com/homelearning/> for daily maths lessons. The videos give excellent instructions on how to successfully complete the task. You can access the worksheets on our website.

Complete a challenge a day after completing your maths lesson, Doodle Maths, English and Spellings. Do not forget about your Ancient Egypt project!

Please upload some of the work you complete to our Facebook page as I love seeing what you are all doing.

<p>PSHE</p> <p>Action for Happiness (see Active Coping Calendar) and complete a task.</p> 	<p>Geography</p> <p>Lockdown restrictions are beginning to ease. Let us imagine they ease further, and we can enjoy holidays within the UK. Plan your ideal trip (you will be there for 7 days). Where will you go? What will you do during your trip (activities i.e. horse riding, theme park etc)? How long will it take to get there? What type of transport will you take? Where will you stay? Use GoogleEarth to take a virtual visit to your chosen destination.</p> 
<p>Maths</p> <p>Now you have planned your staycation it is time to set a budget. Imagine you have £500 spending money. How much will it cost to get there (train tickets, fuel cost)? How much do your activities cost? What is your budget for food and souvenirs? Did you have enough money to do everything you had planned?</p>	<p>English</p> <p>Use the website to inspire some creative writing. You could write a poem, story etc using the information you are given.</p> <p>https://writingsparks.com/start</p> 
<p>P.E.</p> <p>Visit the website and take part in one of the challenges.</p> <p>https://durhamcls-ssp.co.uk/sports-day-week/</p> 	<p>Rights Respecting- Global Goals</p> <p>Watch the lesson and write a summary of your learning.</p> <p>https://www.youtube.com/watch?time_continue=11&v=Yu8Lrg4lR8U&feature=emb_logo</p>
