

Cassop Primary School Sports Premium 2020-21

Our Sports Premium allowance for the academic year 2020-21 is **£17,270**. In addition to this we carried over **£390** from 2019-20 making this year's total **£17,660**. The premium will be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles. The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. We endeavour to see an improvement against the following 5 key indicators:

KEY INDICATORS				
Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement	Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport	Indicator 4: broader experience of a range of sports and activities offered to all pupils	Indicator 5: increased participation in competitive sport

targeting SEN children to help with the stresses linked to Covid.

Strategic support sessions were held throughout the year with the SSP manager. Sport Premium plans, evaluation, website audit and curriculum development were covered in these sessions.

G+T face to face sessions were unable to take place but during lockdown and beyond pupils have been able to access on-line challenges.

Throughout lockdown pupils and staff were able to access the wide variety of online resources provided by the SSP. This promoted physical activity at home and aimed to motivate students to be physically active.

Unable to take place face to face but lesson plans/ideas were provided and then delivered by staff. This gave pupils new opportunities to develop their basic skills.

Years 4/5/6 (2 staff) benefited from this CPD opportunity. Staff were introduced to the new England Netball 'Stingers' programme which gave new ideas for staff. Pupils also benefited from being introduced to the NGB Mini version of the game.

Year 1 and Year 2 staff benefited from this CPD opportunity. They developed their knowledge on the relevant core tasks and teaching ideas along with this. Pupils gained an insight in how to put dances together linked to different music styles.

Unable to take place due to covid.

<ul style="list-style-type: none"> - Development of staff expertise and knowledge to enable them to deliver high quality PE lessons and school sport and provision of an after-school club. • A 36-hour fitness & health education programme <ul style="list-style-type: none"> - To develop pupil's knowledge of fitness and health in a fun environment • 1 full day of cycle or scooter workshops (options of stabilizer free, scooter safety sessions etc). <ul style="list-style-type: none"> - Help develop the skill of riding a bike. • Access to Active Bursts videos for the full academic year (minimum of 15 routines) to be accessed through the SSP website. <ul style="list-style-type: none"> - Access to fun physical activity sessions than can be done in classrooms/hall to encourage students to be physically active. • Participation in the full Durham City Primary Schools FA programme including access to football leagues. <ul style="list-style-type: none"> - Allow students to attend and compete against other schools in football • A half day intra event where an SSP staff member works alongside a class teacher/s to deliver an intra event on the school site aiming to help staff select the students who will go on to represent the school in an inter-school event. <ul style="list-style-type: none"> - Development of staff knowledge in a particular sporting activity. 							<p>This was delivered online as face to face sessions were unable to take place. This allowed staff to do this in their own time to get all pupils physically active. It was also important as it allowed key worker children in school opportunities to maintain and improve their fitness.</p> <p>Whole school took part in a bike day which developed their skill of riding bikes in different situations. This took into account their previous competency so all pupils made relevant progress.</p> <p>Active Bursts videos were used for key worker children to deliver safe fitness activities at the height of the Covid pandemic. These were also made available to all pupils on their return as we tried to improve their fitness which had declined significantly.</p> <p>Leagues unable to take place due to Covid.</p> <p>Intra school event in hockey was delivered for Years 5 and 6. This developed their skills in hockey as well as leadership skills for those pupils who helped run the event.</p>
