

This week (28th March 2022 – 1st April 2022)

This week in assembly we asked the question 'If you keep trying, will you always succeed?' We linked it to the news story about the shipwreck of Sir Ernest Shackleton's ship, Endurance, which has been found 107 years after it became trapped in ice and sank off the coast of Antarctica. We also listened to Dance of the Cygnets from Swan Lake and discussed Tchaikovsky's perseverance with his composing.

This week we have also said our goodbyes to Miss Kirk - we wish her good luck as she moves on to her new career.

In the Rights Respecting meeting on Monday, our committee talked about how they could explain to the rest of school about what they do as part of the Rights Respecting team. They also discussed further plans for Jubilee Week, and how these plans can take place with the help of teachers and the PTFA.
