

This week (4th April 2022 – 8th April 2022)

This week in assembly we looked at a £16 billion proposal to build a solar power station in space and we explored the question 'Do all inventions have a positive impact on the world?'

Today, we visited Christ the King Church in Bowburn for the Easter service and as part of our RE curriculum. We also participated in egg jarping this week, which involved two players tapping the pointed ends of their eggs together until one breaks. We had lots of fun and egg jarping was thoroughly enjoyed by all that took part.

On 11th April Durham Cathedral will be holding show of support for the people of Ukraine. Our children were each asked to produce a flag with thoughts, wishes and messages. These flags will be displayed outside the Cathedral on the 11th – if you are in Durham on that day you might like to pop up to see them. Article 38 - Governments must do everything they can to protect and care for children affected by war.

We hope you all have an enjoyable Easter holiday break and look forward to seeing everyone on Tuesday 26th April!
