

This week (19th September 2022 – 23rd September 2022)

This week in assembly we have been looking at the British Value of 'Individual Liberty' and exploring the question 'Could we live our lives without plastic?'. We have looked at how our actions have consequences and Article 29: The Aims of education. The children had a lot of super ideas about reducing plastic usage both in and out of school!

This week, our Year 5 and Year 6 football players had the opportunity to take part in the Eden Colliery cup at Meadowfield. We are very proud of our football team as they received silver medals and are through to the next round of the cup – well done Cassop football team and thank you to Mr. Lowe for supporting them through each match!

We are encouraging all children to bring their wellies and waterproofs into school on Monday in order to participate in OPAL play.

Individual Liberty

Our actions have consequences. If we choose to buy and use items made from plastic, we must consider the impact this will have on our world.

As part of our education, we should be taught about how we can help protect the environment.
