

**This week (5<sup>th</sup> September 2022 – 9<sup>th</sup> September 2022)**

This week we have welcomed both our old and new our pupils to school. In our assemblies we have explored celebrating our differences, in particular the story of Strictly Come Dancing 2021 winner, Rose Ayling-Ellis, who has teamed up with Mattel to unveil their first doll with behind-the-ear hearing aids. Together we explored the question 'Can toys help us celebrate our differences?' In light of yesterday's news we have also reflected on the Platinum Jubilee and the life of Queen Elizabeth II.

On Tuesday 6<sup>th</sup> September, the whole school had the privilege of watching the Tour of Britain. Despite the bad weather, we all thoroughly enjoyed watching the fantastic cyclists pass through Quarrington Hill and Cassop.

As the weather is quite changeable at the moment, please ensure your child brings their wellies and waterproofs into school every day.

Please find attached the termly curriculum overview.
