

This week (26th September 2022 – 30th September 2022)

This week we have looked at Article 24 (health and health services): Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy.

Every child, no matter where in the world they are, has the right to live in a safe environment.

We looked at the news and how the United Nation's (UN) Secretary General Antonio Guterres has urged the world to help Pakistan, after floodwater covered a third of the country following the heaviest rainfall the country's seen in decades. We then explored 'How can we help those in need who are far away?'

On Thursday, we held our second Colour Run at Cassop, which was a very colourful afternoon - lots of fun was had by all involved!
