

This week (20th March 2023 – 24th March 2023)

In assembly this week, we have looked at how The Guide Dogs for the Blind Association has launched an appeal for volunteers to help raise and foster guide dogs, as the Covid 19 pandemic caused a backlog of people waiting for partnerships. We then discussed 'How important are guide dogs for those in need?'

On Monday, Caitlin from the School Sports Partnership worked with Classes 3 and 5 playing end zone. The children played in teams and competed against each other. Class 5 also attended a rugby festival at Maiden Castle this week. The class worked in groups across the afternoon whilst being introduced to different rugby skills.

Class 5 have been working with Mrs Miller as part of the Children Challenging Industry project. Yesterday, the class fed back to a scientist about our findings. Class 5 found it fascinating to find out about her work and it helped them to think about the possibilities for a career in STEM. We hope to continue this project next year.

We would like to say a big congratulations to our Y5 and Y6 football players for winning the football league on Wednesday night! We are very proud of our the players – well done Cassop football team and thank you to Mr. Lowe for supporting them through each match this half term!

Every child with a disability should enjoy the best possible life in society. Guide dogs can help people who are blind or partially sighted become more independent and to participate actively in the community.

Mutual Respect and Tolerance

My behaviour, actions and words can affect others. Volunteering is an action that can affect others in a positive way and help make a difference to their lives.
