

This week (27th February 2023 – 3rd March 2023)

This week in assembly we have explored the question: Will the world become cashless in the future? This links to Article 26 : Social and economic help. We looked at the news story where the government has said that a safe, digital pound is likely to be needed in the future and we discussed the British Value of Individual Liberty along with this.

Last term, Class 5 worked with artist Mick Stephenson, on an art project that has been installed at Durham Cathedral. The art project is called ‘Tunnel of Light’ and the children created Perspex discs showing the mining heritage of the local area. On Wednesday, Class 5 were invited to view the installation at the Cathedral. This visit also included a tour of the Cathedral and a workshop for the children – Class 5 had an amazing time!

On Thursday, we celebrated World Book Day with ‘The Great Cassop Book Swap’. This involved the children bringing a book in that they were happy to swap, and handing their book in order to redeem a coloured token. These tokens were used in order for children to redeem for other books. The children had a wonderful day whilst encouraging school reading!

Week commencing (6/3/2023 – 10/3/2023)
